FDA IND/IDE Information for applicable trials

Does this trial have an associated IND/IDE?:* ○ Yes ◉ No

Regulatory Information

The information in this section is REQUIRED to enable "Upload from NCI CTRP" in ClinicalTrials.gov:

Responsible Party: Sponsor-Investigator

Investigator:* Lee, James — Search Persons

Investigator Title:* Principal Investigator

Investigator Affiliation:* Harborview Medical Center

Trial Oversight Authority:

Country	Organization	
-Select a Country-	-Select an Organization-	+ Add

FDA Regulated Intervention Indicator: ○ No ○ Yes ◉ N/A

Section 801 Indicator: ○ No ○ Yes ◉ N/A

Data Monitoring Committee Appointed Indicator: ○ No ○ Yes ◉ N/A

Trial Related Documents

To ensure successful registration, upload a Protocol document and an IRB Approval document. If the Protocol document does not include the Informed Consent and/or participating sites, upload the Informed Consent document and a list of participating sites separately. You can use the Participating Sites template to submit your list of participating sites.

CTRP accepts most standard document types. For additional information about what document types are accepted, please refer to the Help section.
